

Homeless populations within the U.S.A

1. Years, this column is intended to depict how we are measuring our data, and in this case, we are collecting the data by year starting from 2007 to 2022.
2. 2007
3. 2008
4. 2009
5. 2010
6. 2011
7. 2012
8. 2013
9. 2014
10. 2015
11. 2016
12. 2017
13. 2018
14. 2019
15. 2020
16. 2021
17. 2022

I chose this data set as the U.S.A has had an increasing number of homeless people since the new millennium, and based on the data shown the homeless population has been on an increasing trend.
